AQHA LEGACY AWARD RECIPIENTS FROELICH LEGACY QUARTER HORSES 54th Annual Production Sale

Greetings Horse Lovers!

As the 65th year of registering quarter horses and our 54th annual sale nips at our heels, we think of all the blessings this ranch has given us. Ranching is not for the faint of heart; it is pretty much a 24/7 way of life. Even while bringing in an 85-pound newborn calf during a North Dakota blizzard we've sometimes questioned why we do this, but we know the legacy of the great grandparents and parents before us and the western lifestyle still pumps through our blood. We definitely don't ranch because it's easy; we do it because we sure do love it.

We are lucky enough to live in a time where we can raise horses, but that really wouldn't be possible without raising cattle. Not only do the cows bring us income and joy, but they allow us to expose our horses to the type of work they are in for. Some of the foals shared pastures with yearling heifers and watched as the cattle nibbled on a stallion's ear. The disposition that they have is not only genetic but also learned. The peace they bring is unlike anything else.

We hit a pretty big milestone this year. In June, we were inducted into the North Dakota Cowboy Hall of Fame in the Ranch category. It was an honor we never quite dreamed of receiving and we are humbled to be recognized. This would not have been possible without the support of Terry Comeau, a Hall of Fame Trustee who nominated us and supported us throughout the induction process. Additionally, none of this would be possible without our family, friends, and neighbors who are just as much part of this honor as the current owners and operators of Froelich Ranch.

Guest consignors this year are Don & Carol Cool of Gillette, WY; Jamie & Codi Wymore of Maryville, MO; and Paul Hostetler of Eldorado, MO. All these families are offering wonderful foals and can be contacted directly for more information.

Our webpage has more photos of each foal, along with photos of the mares and stallions. Videos of the colts are also linked. If you have any questions, please do not hesitate to contact us. There are always cows to feed, fences to fix, and hay to put up, but we always have time to talk about horses.

Our Best Wishes To You All,

The Froelichs

McLovin is a direct son of McKeag. He possesses the great disposition of his sire and brings a lighter blue roan color which works well with our darker colored mares. His dam, Skipper Nodak, was a beautiful, deep-girthed, grullo mare with a pedigree including Triple Chick, who was a leading sire of Race ROM money earners and himself a Superior Halter Horse. McLovin, himself, has sired a 6-time ARHA world champion in roping.

Matt was born September 4, 1881, at Speier, Russia, but was of German descent. Matt immigrated to the United States and arrived in Mandan, ND, on June 9, 1910. Five children were born to this union with a son & daughter dying in infancy. Mike Froelich was born on in 1915, Matt (M.W.) Froelich in 1918, and John J. Froelich in 1920.

Matt sold his interest in the ranch to his son, John J. Froelich in 1957. John married Barbara (Vetter) on November 3, 1945. John and Barbara have seven children: Warren (1945), Terry (1947), Rodney (1949), Gayle (1953), Kurt (1961), Kay (1963), and Kelly (1966). The ranch has grown over the years but is still owned by descendants of Matt J. Froelich.

John J. Froelich had a great affection for horses but the draft type he was raising did not have speed or versatility to his liking, so he exposed a U.S. remount stallion to his remaining draft-type mares. Soon after, he heard about the Quarter Horse, which offered more speed and quickness. In the late 1940's he purchased a palomino stallion, WR's Comanche Boy, a grandson of Old Man by Old Sorrel (the foundation sire of the King Ranch Quarter Horse breeding program and an early inductee into the AQHA Hall of Fame). John then purchased three mares, which began a breeding program that developed beyond his wildest dreams. As years passed, John purchased sons of King Trumpet x Cotton Mac's Star, Blackburn 90, and Tuffernhel. John also leased a son of Smutty Bill from Harold Schafer.

In 2009, the Froelich program was recognized as an AQHA Legacy Breeder for registering at least one foal for 50 consecutive years. In the fall of 2010, AQHA recognized it as the first AQHA Heritage Ranching Breeder in North Dakota and, in 2023, John was inducted into the North Dakota American Quarter Horse Hall of Fame.

The Froelich Ranch is not only known for their quarter horses, but also the cattle operation plays a huge role in the sustainability of the ranch. The Froelich's have produced highly sought after feeder cattle and replacement heifers with attention to genetics.

The Cannonball River snakes through one end of the ranch, and the Pamplin Hills give a rugged beauty to the original homestead. Over the years, Froelich Ranch expanded its land mass and operation. A large horse-training barn allows the family to host special horse training clinics and a feedlot allows the family autonomy when marketing cattle.

The current 2024 owners & operators of Froelich Ranch are Rodney & Kathryn Froelich, Kelly & Renee Froelich, Lance & Sunshine Froelich, Chase Froelich, JW & Alisha Froelich, and Kol & Emily Harsche.

Within all the history of ranching, horses, cattle, and raising families in North Dakota, one overall philosophy has prevailed: breed livestock that the family loves and protect the land for future generations.

LHR SMART SUGAR BOON WEANLINGS

Introducing Boon's first foal crop! With legendary bloodlines from Peptoboonsmal and Smart Little Lena, his cow sense is not just in his genes, it's proven. This fancy, talented guy has been trained in reining and cow horse classes and is a true ranch horse. JW has no trouble getting him to work, and we love watching him in action. We are super impressed with his first foals and can't wait to see how he continues to grow and produce. Boon is more than a horse, he's a cornerstone of our future.

Currently calling our ranch home, this striking blue roan stallion from Darrel Stiles in Oklahoma is the epitome of level-headedness and calm demeanor. With a refined and pretty head, he is a true gentleman to handle, often making it hard to believe he is a stud. He will be with us temporarily as we await the development of our own stud prospects. Still, his presence is already leaving a lasting impression on our herd as we have several fillies sired by him entering our breeding pastures in 2025.

Darrell Stiles

Horses and friendships. Friendships and horses. It was horses that brought Darrell Stiles from Cushing, OK to Froelich Ranch in the 1990s to purchase his first Froelich horses. And even though many states separate North Dakota from Oklahoma, the friendship with Darrell has always stuck: a thread of common goals and values have made that friendship last.

The most prominent thread was the love of a good looking, hardworking, smart, and even-tempered quarter horse. Darrell has an eye for picking out the good ones, and over the years, he has expanded his quarter horse business to include many Froelich mares and stallions.

With great honor we answered the call when Darrell, now 84 years of age, asked us to care for some of his most beloved horses. This spring we foaled out ten mares and pasture bred twelve of Darrell's mares – some to his Froelich stallion and others to our own stallions. We enjoyed watching the progeny of our bloodlines foal and seeing how beautifully Darrell's horses complement our own.
